

PUBLIC OPEN HOUSE

RAIL EXPANSION OF SERVICE FROM OSHAWA TO BOWMANVILLE TOWN OF WHITBY, CITY OF OSHAWA AND THE MUNICIPALITY OF CLARINGTON

BACKGROUND

GO Transit, the Province of Ontario's interregional public transit service for the Greater Toronto and Hamilton areas, has carried out a feasibility study for the extension of the Lakeshore East rail line from Oshawa to Bowmanville. The purpose of the study was to confirm the feasibility of expanding rail services by twinning the existing Canadian Pacific Railway (CPR) rail line and to identify possible locations to build new stations, layover sites along the corridor and one heavy rail maintenance yard just west of Thickson Rd.

The study limits extend from west of Thickson Rd. in Whitby to Darlington Clarke Townline Road/Regional Road 42 in Clarington.
